Subject: Request: packaging requirements
Date: Wednesday, October 17, 2018 2:30:13 PM

Good Afternoon Yvette,

I was hoping to seek your help. I was tasked with creating a universal waste compliance guidance document for a few of our facilitates, and one of the topics I need to cover is packaging requirements for shipment. I am specifically looking for packaging requirements for mercury-containing devices (i.e. mercury switches, thermometers, thermostats, etc.). I already have the guidance for battery packaging and metal lamps, but the mercury-containing devices would be very helpful!

Thanks in advance,

Chris Genuardi
